Patient Name (print): _____ **Date of Birth**: _____

Our goal is to provide and maintain a good provider-patient relationship. Letting you know in advance of our office policies allows for a good flow of communication and enables us to achieve our goal. If you have any questions, do not hesitate to ask a member of our staff.
Please read each section carefully and sign at the bottom.

Appointments:

- We value the time we have set aside to see and treat you. If you are not able to keep an appointment, we would appreciate a 24-hour notice. There is a charge of $30 for missed appointments (no show) that are not cancelled within 2 hours of the scheduled appointment time. PLEASE NOTE: Multiple no shows may result in dismissal from the practice.
- If you are late for your appointment, we will do our best to accommodate you. However, if it is more than 20 minutes it may be necessary to reschedule.

Insurance Plans:
Please understand: It is **your** responsibility to keep our office updated with your correct insurance information and to notify us of any insurance changes prior to your scheduled appointment. ***Bring your insurance card to every office visit.***

- If the insurance company you designate is incorrect or the policy is inactive, we will do our best to work with you to get the correct information. However, we **cannot** see you without valid insurance information. You may reschedule your appointment or self-pay for the visit.
- It is **your** responsibility to understand your insurance benefit plan. Only you and your member services can verify if our office or our laboratory (LabCorp) are in your plan network. We can't determine if services are covered prior to being seen, and we are not able to estimate what your charges will be prior to processing with your insurance company.

Co-pays and/or account balances are due at each visit:

- Co-pays **cannot** be billed. If you are unable to pay co-pay at the time of your visit it may be necessary to reschedule.
- If you have a balance on your account, regardless of whether you have received a statement, you will be asked to pay that balance prior to being seen. We make every effort to notify you prior to your appointment of any balances. If you need to set up payment arrangements please contact our billing department *prior* to coming in for your appointment.

Referrals:

- It is **your** responsibility to know if a written referral or authorization is required to see specialists, whether pre-authorization is required prior to a procedure, and what services are covered.
- Advance notice is needed for all non-emergent referrals, typically 3 to 5 business days. It is your responsibility to know if a selected specialist participates in your plan. Remember, we must approve referrals before they are issued.

Financial Responsibility:

- According to your insurance plan, you are responsible for any and all co-payments, deductibles, and co-insurances.
- Self-pay patients are expected to pay for services ***in full*** at the time of the visit. Self-pay visits are $75, any testing performed is NOT included and must also be paid in full at the time of the visit.
- We ***do not*** bill medical insurance for auto accident related claims. The cost of each appointment related to an auto accident must be paid ***in full*** at the time of the visit. The charge for such a visit is $75, payable by cash or credit only.
- We do not provide Work-Related Injury/Care Management ("Workers-Comp") services.
- A fee of $25 will be charged for the completion of FMLA, Disability, and other miscellaneous medical statements.
- Patient balances are due immediately upon receipt of your insurance plan's explanation of benefits (EOB). If a statement is issued, balances are due within 21 business days from the statement date. Unless previous arrangements have been made with our billing office, any account balance outstanding longer than 21 days will be charged a $25 late fee for each 21-day billing cycle. Any balance outstanding longer than 90 days will be forwarded to a collection agency.

My signature below acknowledges that I have been made aware of the above policies.
